Number of pupils increased by 0.2% in the school year 2018/19

Vienna, 2019-11-26 – Since the school year 2016/17, the total number of pupils attending Austria’s schools rose slightly. According to calculations by Statistics Austria, there were around 2 100 more students in the school year 2018/19 than in the previous year (+0.2%). The number of pupils in elementary schools increased by around 2 700. The academic secondary schools (lower level) reached a new student all-time high, while the number of students in new secondary schools declined.
