After completing all the questionnaires, your household will receive a 22 euro voucher this year as a thank you.

There is also an option to donate the amount to an Austrian nature conservation project.

How would you like us to thank you for taking part?

- 22 euro donation to the nature conservation project [2]

Additional Infos

Default answers: I will forgo a financial thank you - I will not donate and will not receive a shopping voucher. [-11]

Which nature conservation project will be supported?

The nature conservation project "Alpenmoore" ensures the maintenance, renaturation and preservation of valuable Alpine peatlands in Styria, Salzburg and Tyrol. Peatlands are not only an important ecological niche for animals and plants, but also play an important role in climate protection as CO2 reservoirs. Part of the nature conservation project are the so called Deckenmoore at Gerzkopf in Salzburg and Hüttelmoos in Tyrol. The donations will be used to implement, among other things, a visitor guidance concept as well as measures to improve the water balance of the peatland areas and the removal of trees and shrubs.
