Q: STATISTICS AUSTRIA, Population Censuses 1971 to 2001, Register-based Census 2011. Compiled on 4 November 2013. For data privacy protection reasons, the statistical disclosure control method of "Target Swapping" has been used on a part of the data. Therefore, in particular for cell values <= 5, no reliable assertions can be made. 1) Persons with education abroad or unown enrollment are excluded. Persons below the age of 15 are excluded. 2) Homemakers and other persons, who are currently not economically active or unemployed for other reasons, do not receive an Austrian pension, and do not attend an Austrian school or university. Persons below the age of 15 are excluded.
