S: STATISTICS AUSTRIA, Register-based Census 2011, Register-based Labour Market Statistics 2009, 2010, 2012 - 2018. Compiled on 03 August 2020. For data privacy protection reasons, the statistical disclosure control method of "Target Swapping" has been used on a part of the data. Therefore, in particular for cell values <= 5, no reliable assertions can be made. - 1) Until 2011 all employees under special contract in the public sector were classified Employees. From 2012 on this group is split between employees and blue collar workers. - 2) Includes holders of a non-standard contract, civil servants, compulsory and voluntary military service, compulsory community service, employees with unknown status in employment, frontier workers without Austrian social insurance, as well as persons employed according to the DLSSG. 3) In 2009 self-employed were not divided into employers and own-account workers, employers are included in the group own-account workers.
