S: STATISTICS AUSTRIA, Austrian National Bank. Compiled on 20.12.2019. Data include only direct participation in the capital of private and public corporations classified outside general government. - 1) According to the European System of Accounts (ESA) 2010. - 2) NACE is the Statistical classification of economic activities in the European Community (ÖNACE 2008). - 3) Values of capital participation reflect market values. Public corporations are market producers that are controlled (ownership >50% or other form of control) by the governmental sector. Private corporations are controlled by the private sector.
